of Connection thru Communication”

Best Selling Author • Accomplished Columnist • Television Producer • Consultant • Media Expert

INTRODUCTION FOR TERRI MURPHY

Terri Murphy understands entrepreneurs.

Have you ever wondered how to cut through the chatter to connect with prospects and make real profits? Specializing in communication strategies that build relationships with clients and customers, Terri understands the unmatched power of **connection** to create more sales in today’s competitive marketplace.

Terri is the president of Terri Murphy Communications, Inc. As a consultant and speaker, Terri helps to create new relationships by that integrate both traditional and online marketing and communication strategies.

She is a published author of 5 books, including her most recent book with Donald Trump, “The Best Real Estate Advice I Ever Received” and has authored 4 additional books on sales and leadership.

Terri is currently a co-author on a book that addresses how women can improve their selection of a man in a relationship by using a little science in the process. She is co-authoring this book with Dr. Paul Green, an industrial psychologist, and an expert in Behavioral interviewing.

Terri has produced and hosted both television and radio programs, and been featured on ABC, NBC and CNBC News as a sales industry expert. She is also a regular guest on CBS-WREGTV Live@9 for Women in Business.
